

Warsash Flower Club

We are a friendly group of people with an interest in flowers and arranging them. We meet monthly for demonstrations and talks on how to arrange flowers for your home, for special events or for gifts. Our meetings are a good opportunity to watch talented flower arrangers in action and pick up tips.

As well as our meetings we generally have an annual outing which could be a visit to a garden or flower festival. Occasionally, we have practical sessions where we try our hand at different types of arrangements, although there is no pressure to join in! We also have the chance to take part in flower festivals and this year some of our members are helping with designs for the Winchester Flower Festival entitled WILD! 15th -19th September 2026
